

Why Choose MH Freight Services?

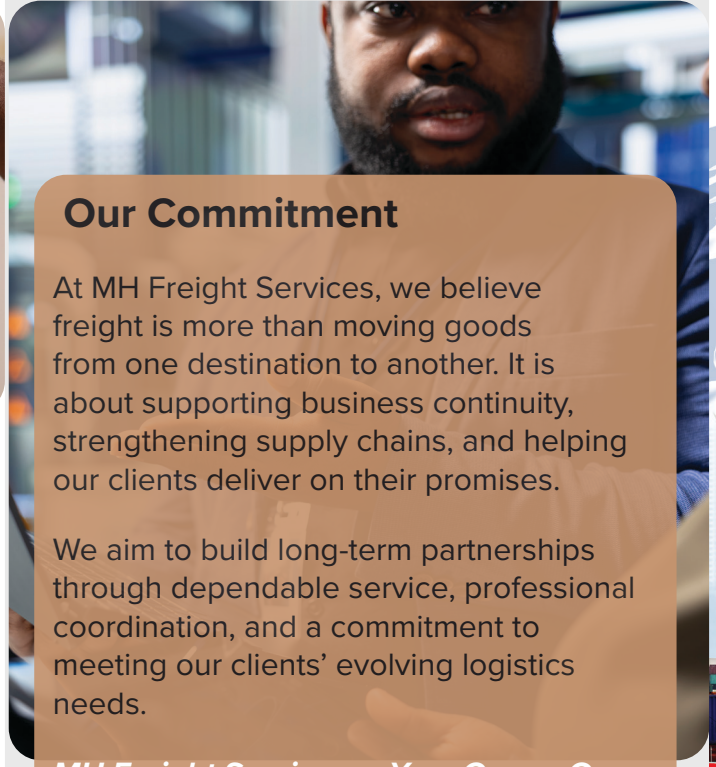

Reliability — We prioritise dependable transport arrangements and clear communication throughout the delivery process.

Efficiency — We coordinate practical freight solutions aligned with your cargo requirements and delivery timelines.

Flexibility — We accommodate varying shipment sizes and transport needs, subject to availability and route requirements.

Customer-Focused Service — We work to understand your operational needs and provide responsive support from shipment coordination to delivery.

Integrated Business Support — Backed by Mishoma Holdings' broader procurement, industrial supply, and business services, we understand the importance of connecting logistics with your wider supply chain.

Our Commitment

At MH Freight Services, we believe freight is more than moving goods from one destination to another. It is about supporting business continuity, strengthening supply chains, and helping our clients deliver on their promises.

We aim to build long-term partnerships through dependable service, professional coordination, and a commitment to meeting our clients' evolving logistics needs.

MH Freight Services — Your Cargo, Our Commitment.

An integrated freight and logistics partner by Mishoma Holdings (Pty) Ltd.

MH FREIGHT BROCHURE

Moving Your Business Forward

Reliable Freight. Seamless Logistics. Global Reach.

ABOUT MH FREIGHT

At MH Freight Services, we provide dependable freight and logistics solutions designed to keep businesses connected and goods moving. As a division of Mishoma Holdings, we support businesses across various industries with efficient cargo transportation, coordinated logistics, and delivery solutions tailored to their operational requirements.

We understand that time, reliability, and the safe handling of goods are essential to every business. Our focus is on simplifying the movement of cargo, coordinating reliable transport solutions, and helping our clients meet their delivery commitments with confidence.

Whether you are shipping commercial goods, consolidated cargo, or time-sensitive consignments, MH Freight Services is committed to delivering practical, responsive, and cost-conscious freight solutions.

MH FREIGHT SERVICES

Air Freight Services

Efficient air cargo solutions for businesses requiring reliable and time-conscious transportation. We facilitate the movement of general cargo, consolidated shipments, pharmaceutical products, and other approved goods, subject to applicable shipping and handling requirements.

Road Freight Services

Dependable road freight solutions for the transportation of goods across local and regional routes. We coordinate deliveries to support business operations, stock replenishment, and the movement of commercial consignments.

Consolidated Cargo

Cost-conscious freight solutions that combine compatible shipments to help optimise shipping costs and cargo movement. Ideal for businesses importing or distributing goods in quantities that benefit from consolidated transport.

International Freight Coordination

Support with coordinating the movement of goods across international supply chains, connecting businesses with transport and logistics solutions for cross-border shipments, subject to route availability and applicable regulations.

Industries We Serve

MH Freight Services supports the logistics requirements of businesses across multiple sectors, including:

- Mining and industrial operations
- Wholesale and commercial distribution
- Food and hospitality supply
- Retail and general merchandise
- Procurement and international
- Construction Industry
